Placement and Tuition Policies

- When a child is placed in any of the classes selected by the child's parent/guardian, a contract is sent out.
- Placement is confirmed when the school receives both the signed contract and the required tuition payment of 33% of the annual tuition shown in the **CLASS SELECTION** section of this form. **Unless prior arrangements have been made to accommodate special circumstances, this step must be completed by the date noted on the contract. Otherwise, the placement will be offered to another child.**
- Balance of tuition is due in 2 installments: May 15 (33%); and October 15 (33% less the \$200 paid with the application fee). The school reserves the right to add interest or appropriate fees for late payments of tuition.
- If the school cancels a class due to under-enrollment or any other reason, all tuition paid will be refunded in full.
- **Applications will be processed on a first-come-first-served basis according to the postmark date on the envelope. Placement will begin on November 10, 2008 for current GFNS children and siblings of former GFNS children. All such applications bearing postmarks on or before November 10 will be processed at the same time. On Monday, November 17, 2008 placement begins for all other applications. No hand-delivered applications will be processed until after 1/5/09**
